

## We pray:

For all those **affected by conflict** all around the world past and present. We pray for those who work for peace in this world and for the end of war.

For the upcoming **General Election**; for peace within and between parties, families and people and for those standing for election to seek integrity and the common good.

For **school children, teachers and parents** as the return to school. We pray for peace and joy in their schools and workplaces.

For our **church family** in our key season for local mission, inspire us to **get involved**, to **come along** and to **invite** others. For us to grow in confidence in sharing our faith with our friends and family, for God to give us opportunities to invite others this season.

For **Stella Lakin**, after her surgery. We pray for her surgery, that healing would be given to her.

We give thanks for **Eileen Fletcher's** recovery and her return home this week. Lord, continue the healing process.

For **all mourning** the loss of loved ones at this time, for God's comfort and peace from them as they grieve.

For all those **undergoing treatment and medical procedures** in our church family, for them to know God near, and for their complete wholeness and healing.
