

We pray:

For all those suffering from the **Coronavirus** or working to treat people and those working to tackle the outbreak. May there be healing and help in Jesus name and may we not fall into fear.

For all of our **church** as we focus this year on **discipleship and growing deeper in our relationship with God** and how we live out our faith each day. May we be inspired for prayer and commitment to each other this year.

For **Ealing Churches Winter Night Shelter** and our church volunteers. For all the guests, may they be blessed by hospitality and for all the volunteers.

For **Bob Clarke** as he recovers following an operation over Christmas, for God's comfort, wholeness and healing to be poured out upon him.

For all in our **church family** currently undergoing treatment or medical care, may they know God's presence with them, and His peace and healing.
