

Who needs your prayer this week?

Print off the bus / flower / caterpillar (or draw your own).

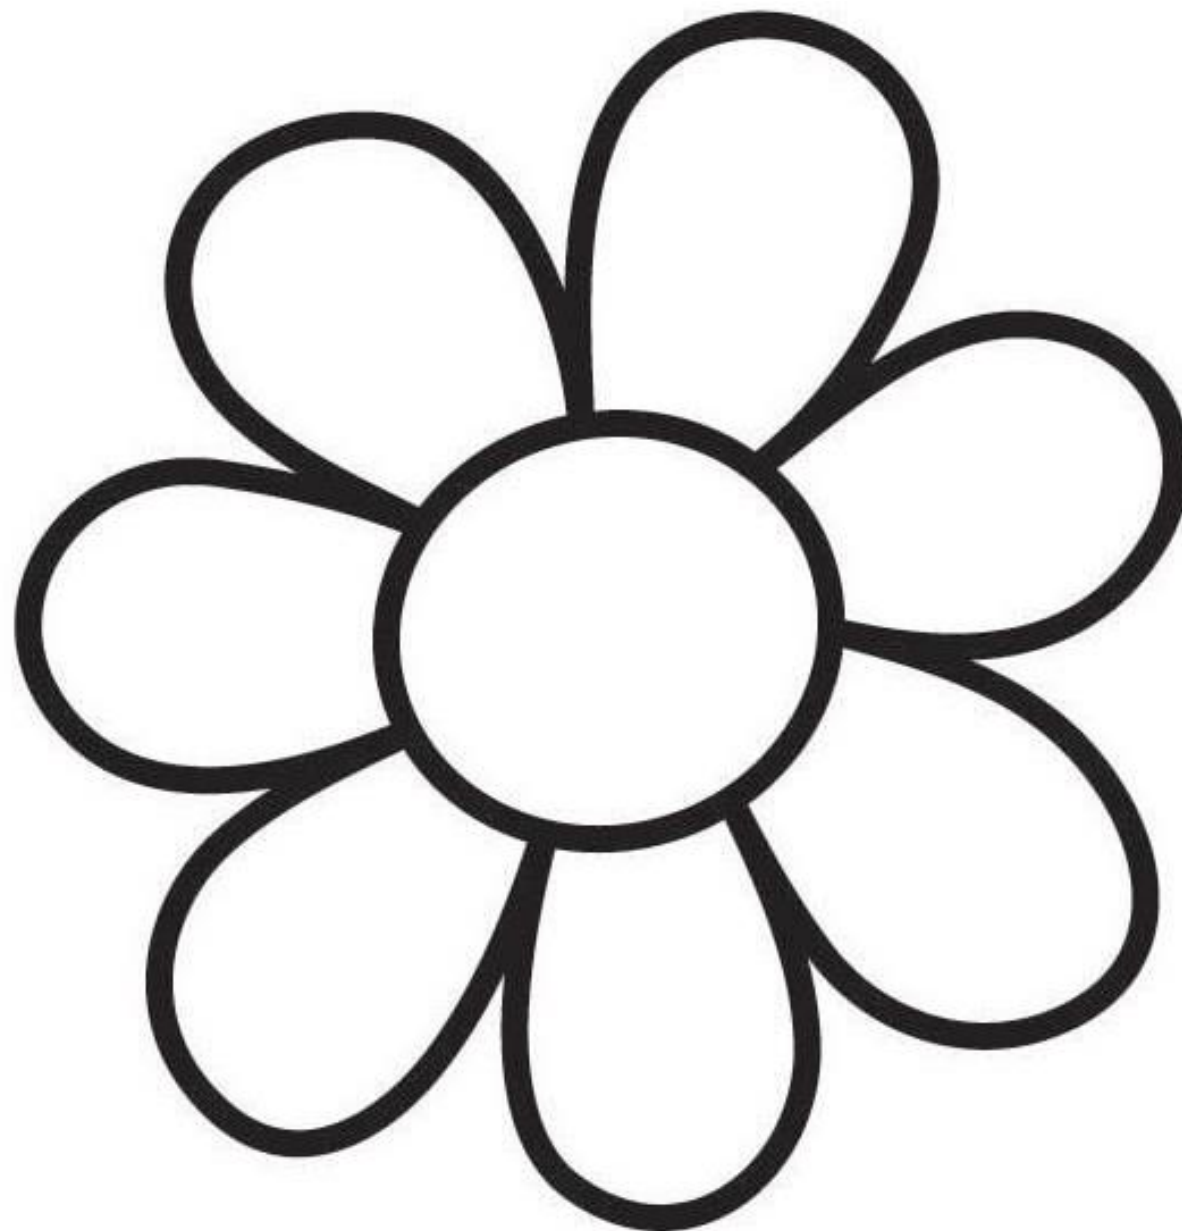

Put it up somewhere so you see it every day.

Each day for a week, draw a person in the windows of the bus / colour the petals / segments of the caterpillar and write in the names of your family, friends, leaders, others, to remind you who to pray for.

Who can I pray for?

Who can I pray for?

Who can I pray for?
