

ST MARY'S CHURCH

SUSTAINING OUR HERITAGE FOR THE PEOPLE OF HANWELL

PROJECT MANAGER for this National Lottery Heritage Fund project.

We have been awarded a grant from The National Lottery Heritage Fund towards the £370,000 cost of a project which includes urgent repair of the flint cladding to the church tower, as well as planning for improved community facilities, future proofing the fabric of the church, upgrading the heating and bringing the stories of those buried in and around the church to a wider audience.

We require a Project Manager to coordinate and oversee this 15-month project, reporting to the PCC and our Rector Revd Andrew Dand.

For a brief www.stmaryshanwell.org.uk/vacancies for more details or to submit an application, please email chris@stmaryshanwell.org.uk
